12 Small Preludes for Solo Piano No.4 (Op.3)

About the artist

I am a composer with a love for writing orchestral pieces, however I do write some chamber pieces here and there. I am an admirer of John Williams and James Horner whose music basically defines my tastes. I sometimes give little nods to them every once and a while in my pieces. To keep my music interesting, I'm always writing with the uses of intense dissonance and consonance, textures and motifs.
